TERMS & CONDITIONS

All orders made with Yare Food Services will be subject to the following terms and conditions.

Availability - all orders will be subject to availability of products at our warehouse, if an item is not available we will endeavor to contact you to offer an alternative but cannot guarantee this.

Changes/Alterations to orders – will only be accepted if received prior to preparation.

Claims – We recommend all deliveries are checked on delivery or as soon as possible thereafter as no claims relating to quantity, shortages, quality or condition will be considered unless we (Yare Food Services) are notified with 24 hours of delivery. We are only able to accept returns if we are notified within this time scale and if the item sent is sub-standard or incorrect (we are unable to accept returns due to change of mind)

Delivery – we will contact you the next working day to advise when you can expect your delivery (unfortunately we will be unable to guarantee a time). In the event that no one is available to accept the delivery we will endeavor to contact you to offer a new delivery date at a fee of £5.00 – this fee is payable by BACS or cash at time of re-delivery.
